Issue Date: April 6, 1999
Application No. 08/931,426
Filed: September 16, 1997
Attorney Docket No. None

NOTICE

This is a notice regarding your request for acceptance of a fee deficiency submission under 37 CFR 1.28, filed on October 19, 2010.

The Office no longer investigates or rejects original or reissue patent under 37 CFR 1.56. **1098 Off. Gaz. Pat. Office 502 (January 3, 1989)**. Therefore, nothing in this Notice is intended to imply that an investigation was done.

Your fee deficiency submission under 37 CFR 1.28 is hereby **DISMISSED**.

The request under 37 CFR 1.28 cannot be accepted at this time since it appears that the petition is signed on the behalf of the assignee and fails to comply with the requirements of 37 CFR 3.73(b).

37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office.

Accordingly, the request cannot be accepted until it is signed by all inventors, an attorney or agent registered to practice before the U.S. Patent and Trademark Office or the assignee of the entire interest under 37 CFR 3.73(b).

Further correspondence with respect to this matter should be addressed as follows:
